					Throwouts after		14																																				
					Trophy Elegible after		9	Participate in at least **one third** of the races in the races actually sailed																																				
							7	Participate in at least **one fourth** of the races in the races actually sailed																																				
							5.6	Participate in at least **one fifth** of the races in the races actually sailed																																				

In current sailing instructions
Recommended

Avg finish = sum of finishes / number of races skipper has sailed

One **throw-out** may be earned **for every two races** sailed **after** sailing **50%** of the races sailed.
